Subject	Invitation to Indiana Tech's Honors Program <span>Version 1 ▾</span>
Preheader <input type="checkbox"/>	{{{First}}}, I see you care about your education. Is Indiana Tech's Honors Program a good fit for you?

Hi {{{First}}},

I hope all is well. Looking at your grades, I see you care about your education. Maybe you're the type of student who enjoys exploring new topics and finding unique connections between them (for fun!). Maybe you're the type to stay up late *actually reading* the novel assigned to you. Maybe you're motivated by academic achievement, excelling in your courses for the glory of it.

If this sounds like you, Indiana Tech's Honors Program might be a good fit. Honors students will:

- Learn how science, humanities and technological disciplines are interconnected and why it's important
- Write an intensive argumentative research paper and present a persuasive conclusion to an audience of professionals
- Have the opportunity to apply for higher-level internships and job prospects
- Receive an Honors distinction on their diploma, plus Honors cords to wear at graduation
- And more!

Whether or not you'd like to participate in the Honors Program, please [complete this form](#) to let me know. Please note: spots in this program are limited. If you plan on being an Honors student, please complete the form by selecting opt-in to save your spot. If you aren't interested, select the opt-out option.

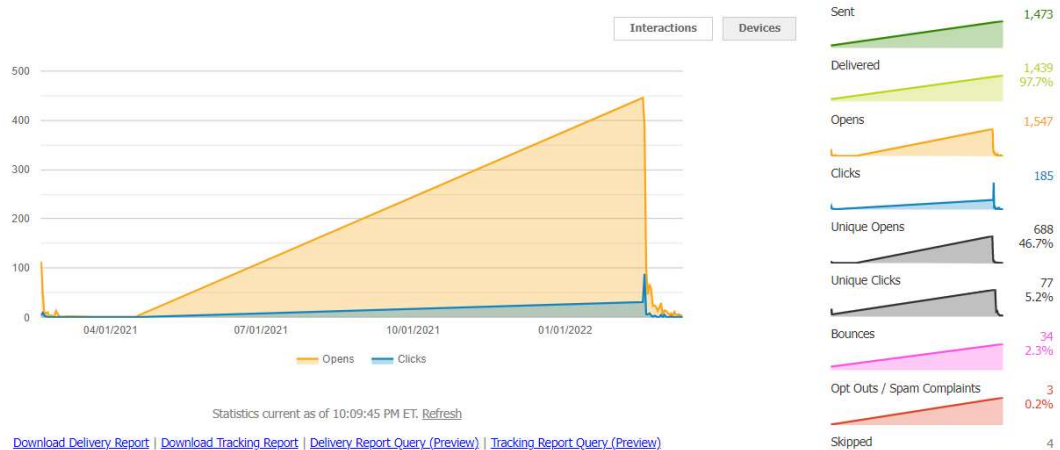

If you have any questions about how the Indiana Tech Honors Program works, please reach out. I'm happy to help!

Subject	Let's talk about Honors classes <span style="float: right;">Version 1 ▼</span>
Preheader 	{{First}}, please tell us if you plan on being part of the Honors Program at Indiana Tech.

Hi {{{First}}},

I hope you and your family are well. Now that you're *so close* to finishing classes, let's talk about what classes you'll take at Indiana Tech.

Looking at your transcript, I see you might be a good fit for Indiana Tech's Honors Program. A little while ago, I emailed Honors Program information to you. In case you missed it, the subject line is "Invitation to Indiana Tech's Honors Program".

Before we can get your class schedule together, one of the things we need to know is whether or not you want to be in the Honors Program. Please [complete this form](#) to let us know either way.

As always, please reach out with any questions. I am happy to help!
