## ProTailored Physical Therapy expands to new Fort Wayne location Ribbon-cutting ceremony set for June 18

FORT WAYNE, Ind. – ProTailored Physical Therapy is stretching out. The local, family-run physical therapy clinic grew by more than 300 percent last year, so they are moving to a larger space located at 12722 Tonkel Rd. The ribbon-cutting ceremony is on June 18 at noon.

ProTailored Physical Therapy provides one-on-one care. Partners in life and business, married couple Dr. Jon and Vanessa Evans founded the clinic in 2015. Dr. Evans has treated professional athletes and has worked alongside physical therapists from New Zealand, Australia, South Africa, and Great Britain. After traveling the world, Dr. Evans brought new treatment approaches back to Fort Wayne.

"Our skilled staff comes from varied backgrounds and specialties, and they all provide professionally tailored, one-on-one care," Dr. Evans said.

The new location is 3,500 square feet larger than ProTailored Physical Therapy's current office. This creates bigger treatment spaces and a larger gym. Plus, the expansion generates 13 jobs.

"We have passion for what we do and compassion for those we serve," Vanessa Evans said. "We create a nurturing, supportive environment where our patients not only heal, but thrive."

The ribbon cutting is free and open to the public. Following the ceremony, attendants are welcome to explore the new facility.
